

# Broomfield Weekly Bulletin

## A hello from Broomfield!

Last week we said goodbye and I want to say how proud I was that all of you managed it so well! As always you were calm and upbeat and have managed this new situation very well!

This is your first week at learning from home. Please look at the school website every day over the next two weeks. On your class page will be a sheet with your activities for that day. Do the best that you can but it is important that you do something everyday.

There are lots of links on your class page to activities and games linking to learning to keep you busy too. Enjoy reading your books and perhaps listen to a story at:

<https://stories.audible.com/>

After Easter, we are using Seesaw (except for Foundation who are using Tapestry). Please have a go at logging in and sending a message to your teacher.

## Message for families...

Please come and collect your child's home learning pack if they have been absent from school.

If you are registered for Free School Meals (not UIFSM), then please ring the office to collect a packed lunch each day until Easter.

Monday 23rd  
March 2020

Knock, knock.  
Who's there?  
A little old lady.  
A little old lady who?  
Hey, I didn't know  
you could yodel!

GH

Have a great week everybody and keep washing those hands ... until next time  
Goodbye from Miss Allison & Clover!
