A hello from Broomfield!

Hello everyone...

Time is whizzing past and we have arrived in June. As you know schools are re-opening to some year groups for children to come back if they want to from today. We have all been very busy making sure that we have everything ready for this to happen. I am looking forward to seeing those returning and for the school to be less empty! For those still at home—you will have your daily activities shared with you via Seesaw/Tapestry and we look forward as always to seeing the work you send in.

The weather has been amazing lately and I hope that you have all been sensible and been sun smart.

A hello from Broomfield!

Messages for families...

Dear all

Thank you for responding to all of the information coming out... it has been busy to say the very least. Please complete this weeks virtual register using the link provided in the email.

This week there will be letters coming out for Y1/FS parents who have confirmed that they would like their child to attend. If you missed the deadline for this please don't worry. Let us know via Studybugs/email if you would like your child to return. Year 1 = 8th June; FS = 15th June. You can always send your child in at a later date but just give us 48 hours notice please.

We have chosen to take part in a Schools Virtual Games Competition. For the next 3 weeks there will be a throwing, running, jumping activity to complete and upload your results. You should have received a letter via Studybugs/email last week. The children will get each weekly challenge via Seesaw/Tapestry.

We still have 6 weeks left this half term of school. Due to the wider re-opening of schools parents are not allowed onto the site unless by appointment. If you need to collect anything from us such as paper packs, stationery or would like to speak to a member of staff you will need to ring the office now to arrange an appointment until any guidance changes.

For pupils returning to us—please ensure that you have read the letter and are aware of the new times and arrangements please. The COVID-19 tab in the parents section has DfE guidance documents as well as school documents relating to our wider opening if want to have a look.

I look forward to starting to welcome more children back to Broomfield over the coming weeks.

Thank you again for your support—take care please.

Miss Allison
