A HELLO FROM BROOMFIELD!

Hello everyone...

Well done so far to those of you that have returned to school. You have adapted well to how school is now – good job! For those who haven't come back—as always keep up your hard work at home and upload it so we can see how well you are doing.

I am pleased to see that lots of you have been taking part in the Virtual Games so far—it will be interesting to see how we compare against other schools as well as each other. This week it is 'Jumping week'. You have a long jump to try as well as a speed bounce. Your teachers will have shared this with you on Tapestry/Seesaw so have a look.

Many of you will have been watching some videos from the Oak National Academy this week. Please let your teacher know who you have enjoyed watching so far and what you think of them.

Friday this week our school is closed to everybody as we need to have a 'deep clean'. Your teachers will NOT be setting any work for you on Friday. (Do I hear cheers?) Enjoy having a long weekend—I just hope the weather is better than it has been recently. Whilst I am writing this now it is hail stoning outside!!!

You have realised by now that I love Star Wars, Dr Who, Snoopy, Scooby Doo and also LEGO! I am a big kid really. I tried this challenge at the weekend and this is my marble maze. If you want to have a go upload your pictures to your teacher and I will put some on our website.

LEGO® Challenge #2: Do you have any marbles lying around the house? From a 'LEGO® Marble Run' to a 'LEGO® Marble Maze', just experiment with ramps, bridges, jumps and dead ends and make your creation as simple or as complicated you want.

Your teachers have chosen their Stars of the week. Congratulations to:

Mrs Waldrom - Archie H & Annabelle L
Miss Chapman- Brady K & Kimberley M
Mrs Parish/Mrs Bond— Toby L & Bella N
Miss Trowbridge— Jessica B & Charlie W
Miss Smith— Jude W & Josie S
Mr Rowley— Demi W & James S
Mr Tyler— Isla C & Annabelle S
Miss Jex— Dion N & Priya K

Miss Allison

Have a good week again everybody...

Look after yourselves and each other—until next time goodbye from me and Mascara the cat perfecting her use of chopsticks!

Remember this magic moment?

A HELLO FROM BROOMFIELD!

Messages for families...

Dear all

Our returning children have been brilliant so far—a little apprehensive as you would expect but they really have been great. We still have no news about a wider re-opening to years 2-5 but obviously will let you know as soon as we do.

Thank you for completing the virtual register last week—we continue to do this fortnightly for our children to check that everybody is safe and well. Thank you too for your positive comments—these have been shared with our staff.

A reminder again that this Friday—Friday 12th June and 26th June we are **CLOSED** to **ALL** pupils for a 'deep clean' of the school. NO work will be set for this Friday for our children.

We have been asked if children who are not in school can come and change their reading books. The answer is yes of course you can. Please come to the main entrance between 9.30am and 2.30pm. If you have run out of anything (books, paper etc...) again just ask and we will have it ready for you to collect.

I have set a LEGO challenge for those children interested on Page 1. If they do take part please upload their photos to their teachers and I can put them on the website. The website does have a good selection of work on by our children in the Home Learning gallery. We update this weekly and new pictures are at the end not the beginning.

A final note.

We closed our doors many, many weeks ago and trying to get some children who are at home to complete their work is becoming harder for some of you. Please don't worry about this—it is just as important to have a happy and stress free home.

Thank you again for your support—take care please.

Miss Allison
